GREETINGS TO ALL FLOWER LOVERS:

Again I wish to express my thanks and appreciation to all of you who helped make the past season a success. Again the season has produced for us a fine crop of field grown roots in a fine varied assortment. Let's each one of us raise a few flowers this coming season as they are God's messenger of beauty, sunshine and satisfaction in these dark days. May your gardens give you great beauty and pleasure during 1942.

Yours for better flowers,
